Dear Mr Brown

I refer to your correspondence to the Hon Frank Sartor MP, Minister for Planning, concerning the former Air Services Australia land at Cranebrook of 21 December 2008 and 22 January 2008. The Minister has asked me to reply on his behalf.

Thank you for referring the conservation assessment and the petition relating to the Cranebrook site to the Minister. The conservation assessment has been forwarded to the Department of Environment and Climate Change for its consideration.

As you are aware the Department of Planning is currently considering a proposal for listing of part of the Cranebrook site on the Metropolitan Development Program. The Department is working closely with the Department of Environment and Climate Change to ensure that the environmental values of the site are properly assessed, as per the Sustainability Criteria.

I thank you for bringing your concerns once again to the attention of the Minister.

Yours sincerely
